

"Our Ads love it!"

"We think that ADTECH re-invented ad serving with HELIOS IQ. This solution has many innovative features to ease our daily work in online marketing. The comfortable user interface with the i-Center is ingenious. Booking Flash and rich media banners is much faster now. With HELIOS IQ, campaigns go live instantly and reports are updated in real time - this is a unique advantage for our online sales. We save a lot of time with HELIOS IQ! Also we have made best experiences with the customer support of ADTECH."

"Therefore, after thoroughly investigating all relevant solutions in the market, we have chosen ADTECH."
